

Canadian Studies at Trent

How did Canada become the country that it is today, and what does it mean to be Canadian? Explore issues of relevance to Canada’s past and present through a critical examination of themes such as the environment, nationalism, sovereignty, Indigeneity, diversity, and immigration. Canadian Studies will offer you unparalleled insight into the life and history of Canada through research and in the classroom, focusing on the Canadian nation in a global context. We explore how even as the transnational attracts critical and public attention, the nation remains the major administrative and imaginative unit organizing people’s lives. We offer interdisciplinary courses in four areas: culture, literature, and the arts; policy, economy, and society; identities and social movements; and space, place, and region; while encouraging thought about Canadian history, institutions, ideology, and social justice.

These explorations can take place both in the classroom and beyond – through the new Canadian Studies Co-op stream, you can put skills to action across three paid work terms in professional settings.

Canadian Studies Co-op

Co-op is an opportunity for students to gain work-integrated experiential learning that will help them get a head start on their career. The Canadian Studies Co-op assists graduating students in achieving a competitive edge while generating experience within a wide range of sectors. Specifically, co-op gives the students a chance to obtain 12 months of practical experience on the job, develop or enhance technical skills, explore career options, network with a variety of individuals and organizations, learn from mentors, enhance communication and presentation skills, and develop technical writing skills.

Canadian Studies Co-op is a competitive direct-entry program with a limited number of spaces.

Program Requirements for Admittance into Co-op:

- Minimum 80% Cumulative Average
- ENG4U with a minimum of 60%

To remain in the co-op, students must:

- Successfully complete the required Co-op courses (COOP 2000H, 4000H)
- Maintain a minimum 75% cumulative average throughout their study terms
- Complete three co-op work terms (CAST 2700P, 3700P, 4700P)
- Receive satisfactory evaluations during each of their work terms

All co-op students are encouraged to meet with an Academic Advisor for degree mapping and to ensure they are meeting all their program requirements. You can book an appointment on the Student Experience Portal (trentu.ca/sep) or by calling 705-748-1011 x7333.

Please Note: Co-op is meant to prepare students for the real-world job application process and as such, the co-op process is competitive and dependent upon many factors including market conditions and the academic performance of a student. Co-op students will secure positions through successful participation in the co-op interview process and/or their own job search activities. In partnership with Careerspace, every effort is made by the department to find suitable co-op work terms for students, but the department cannot guarantee a work term opportunity for every student. No more than two of the three work terms can be with the same employer. Withdrawal from the co-op program will not normally be approved while a student is on a work term.

Students who are unable to obtain a suitable co-op opportunity in an upcoming work term are expected to continue with their academic program on a full-time basis. A missed work term can be made up. If a co-op student is unable to complete three work terms yet otherwise fulfills degree requirements, they will be awarded an Honours Bachelor of Arts in Canadian Studies.

Students do not pay tuition during each work term. Instead, students are required to pay a \$750 co-op fee each work term plus ancillary fees and levies. The Co-op Assistance Program is available to financially support students with co-op expenses. For more information, please reach out to coop@trentu.ca.

International Students who are required to complete co-op work terms that are integral to their academic program must apply for a co-op work permit. Please reach out to internationaladvising@trentu.ca for more information.

Students with Disabilities are strongly encouraged to register with Student Accessibility Services (SAS). Please contact sas@trentu.ca for more support.
